## Product Discontinuation

### Discontinuation of Akynzeo<sup>®</sup> Vials

Dear Valued Client,

HPS Pharmacies wish to give notice that Juniper Biologics is discontinuing Akynzeo<sup>®</sup> IV vials as follows:

**[Akynzeo<sup>®</sup> IV Vials](#)**  
**Fosnetupitant 235 mg + Palonosetron 250 microgram**  
**ARTG 349310**

Akynzeo<sup>®</sup> IV has been discontinued in January 2026. Akynzeo<sup>®</sup> capsules are not affected by this notice.

Retain this notice in a prominent position, including in other related business units for one month. Report any problems identified with medicines, vaccines or medical devices to the [TGA](#).

Should you require further information regarding this matter, please contact Juniper Biologics on 1800 281 493 or your pharmacist at [HPS Pharmacies](#).

Kind regards,

Sallie Drake BPharm
